

Nominations are being accepted for candidates for the Alumni Hall of Fame of John Muir High School (“JMHS”) for 2020. Please provide all the required information about your nominee by completing this Nomination Form and submitting it with supporting documentation to the Hall of Fame Selection Committee (“Selection Committee”), which is a standing committee of the Board of Directors (the “Board”) of the John Muir High School Alumni Association.

Nominator’s Duties and Responsibilities

As the nominator, **you must** write a narrative that best describes your candidate and provide supporting documentation that justifies your nomination for the purpose of convincing the Selection Committee that the person you are nominating deserves the award. Be detailed and be specific. You believe that your candidate should be inducted into the Alumni Hall of Fame, so now **you must** convince the Selection Committee as to why you feel that way.

The Awards

The selection of inductees for these Awards are made by the Selection Committee, with approval of the Board. Nominations are being accepted for the following Awards, with the selection being made as indicated:

The **Alumni Award** recognizes those who have attended JMHS, or its predecessors, and have had an outstanding career or involvement in one of the ten categories listed below resulting in a direct and significant impact in the category chosen for at least five years. The predecessors of JMHS are John Muir College (1945-1954) and John Muir Technical High School (1926-1943). The categories are: Author/Journalist, Business, Community Service, Education, Government Service, Health/Medicine, Performing Arts, Science, Sports/Coaching and Visual Arts.

The **Chuck Bradford Community Service Award** recognizes those who have attended JMHS, or its predecessors, and have distinguished themselves through exemplary service to the JMHS community and/or the greater Pasadena area other than by reason of their occupation (as, for example, as an educator, government employee or coach). *(This Award is separate from the Alumni Award for Community Service, which recognizes service on a regional or national basis).*

The **Jim Brownfield Service Award** recognizes those who are not alumni/alumnae of JMHS, or its predecessors, but have served JMHS and the JMHS community for at least five years, based on their dedication and commitment toward JMHS, its students and/or its staff, and have made a positive and lasting impact on the JMHS community. Past inductees have included community volunteers and former teachers, coaches and staff members.
