Dear Community Give Back Program Participant,

Happy New Year and Happy Fund Raising.

I'm so glad your organization is a member of the Holmes Body Shop Community Give Back Program. I'm checking in to see if there is anything I can do to make the program work better for you. As a participant, **Holmes Body Shop donates 5% of repairs to your organization.** All it takes is your members telling us to!

Enclosed are fliers that might help out. These can be used to inform your members about this great program. Feel free to make copies and send to your members. Giving Certificates can also be printed from our web site, www.holmesbodyshop.com. When one of your members has a vehicle repaired at Holmes Body Shop and brings in a Giving Certificate we total the repair and send 5% to you. 5% adds up fast. With an average repair of \$2500, that's \$125 to your organization! And there is no limit. If a repair is \$10,000 (not uncommon with today's high line vehicles) the donation will be \$500.

Your organization is already participating in the program. The word just needs to get out to your members that this donation opportunity is available. The most successful Community Give Back Program participants inform their members using newsletters, E-mails and on web sites.

Please let me know how I can help make this program work better for you.

Sincerely,

A handwritten signature in black ink, appearing to read "K. Schoknecht".
